

FLOW Carafe

Glass carafe with innovative cooling coaster

- Elegant glass carafe – perfect for serving water, juice, ice tea, mixed drinks and wine
- High value combination of blown glass and brushed stainless steel
- The cooling coaster keeps beverages cool up to 4 hours
- Includes cooling pad that rests inside the stainless steel coaster
- Great for outdoor use: self-closing lid protects liquid
- Designed by Attivo Milano, Italy / Made in Germany
- Award Winner: Best New Product at Maison & Objet, Paris / France
