Product

Vacuum insulated server with plastic housing and new Quick Press closing mechanism

Materials

Textured transparent or polished white Polypropylene plastic housing with glass liner

NEW with Quick Press closure:

- Depressing the button in the lid opens the carafe for easy pouring; the carafe lid will stay open until the button is pressed again
- Quick Press lid is screwed on to carafe; arrows on lid to indicate optimum lid position
- 100% leak-proof when closed
- Ergonomic handle: server fits comfortably into the hand
- Good pouring properties
- 3-year limited guarantee

Packaging

Product label with details of keeping beverages hot or cold, capacity, guarantee and closure mechanism

Heat retention of 175 ° F up to 8 hours
Cold retention of 41° F or below up to 16 hours
